<i>INSET Days: Tuesday 1st and Wednesday 2nd September</i>	

Message from Mr Frost

Dear all,

As we approach the break, I want to take a moment to reflect on what has been an extremely busy time at school. It is always a joy to see our school community excited and active, and this term has been no exception!

Staffing News

As we look toward the new term, we have some news to share regarding our teaching team:

- **Miss McLean:** We bid a fond farewell to Miss McLean, who has now moved on to her next chapter at Midfield Primary School. We thank her for all her hard work and the positive impact she had on her pupils, and we wish her all the best in her new role.
- **Miss Brown:** I am also sharing that Miss Brown will be leaving us at the end of the academic year. She has been offered a wonderful opportunity to relocate to Tokyo, and despite the fact that she has been brilliant in her time here and we are extremely sad to see her go, it is a once in a lifetime chance that I know she will love. While she is still with us for the summer term, I wanted to ensure that our community was aware, as we will be advertising her post soon in time for September.

Sporting Success

Our students have been incredibly busy representing the school across a variety of disciplines, showing grit and fantastic sportsmanship at every turn. We are particularly proud of our Cross Country team, who put in a stellar performance to finish 6th

overall. Our Year 5 gymnasts displayed incredible poise and flexibility, while our Boccia players showed great focus and strategy. On the court, the Year 6 Netball team played with brilliant energy and teamwork, and finally, our Year 3 pupils had a wonderful time building connections and testing their skills at the Trust event hosted at Leasons. It has been a joy to see so many children engaging in competitive sport with such enthusiasm!

Learning Beyond the Classroom

Education at our school extends far beyond the four walls of the classroom. This term, our pupils have been out and about exploring the world:

- Year 3 travelled back in time during their fascinating visit to the Maidstone Museum.
- Year 6 took a deep dive into innovation and discovery at the Science Museum in London.
- Brains of Bromley: A huge well done to the 4 students who represented us at this general knowledge quiz. They certainly put our collective brainpower to the test!

Finally, I would like to wish you all a very Happy Easter. Whether you are travelling or staying local, I hope you have a restful break filled with chocolate and sunshine. We look forward to seeing everyone refreshed and ready for the Summer Term!

Best regards,

Mr Frost

Excellence Awards – Spring Term 2

Well done and congratulations to all of our Excellence Award winners this half term!

Attendance

Making Every Day Count

Consistent attendance is the foundation of your child’s success, both academically and socially. To ensure the safety and well-being of all our students, parents must call the school office every day that their child is absent. Please note that if a student’s attendance falls below 90%, they are officially classified as a ‘persistent absentee.’ In these instances, the school will require formal medical evidence for any further absences to be marked as authorised. We are committed to supporting our families in maintaining high attendance levels - let’s work together to ensure your child stays on track! If you have any concerns regarding your child’s attendance, please contact Mrs. Bassett to discuss how we can best support you.
